RULES

- To qualify, product(s) must ship from an Acuity Brands® distribution center (DC). A sub-segment of qualifying products are listed on the flyer and represent current clearance items, visit AGILE to review additional qualifying products. Once products are depleted from stock at the distribution center, those products no longer qualify. Please contact your local Acuity representative for current pricing and availability.
- Qualifying orders must be entered July 24 - September 30, 2017.
- Products are non-returnable.
- Must include "OFF – TRIPLE DIP – PF ALLOCATION" instruction on the order. Type the order line number on the PF Allocation field.
- Made-to-order product does not qualify.
- For visibility to stock inventory across all Acuity DCs, go to 'Product Search' in AGILE. When searching for a product, the "Available" column shows the total quantity in stock across all DCs.
